What's Missing	Why Improvement is Urgent
----------------	---------------------------

This business is missing a standalone website — the single most critical digital asset for establishing credibility, capturing organic traffic, and controlling brand perception.

Businesses without a standalone website miss up to 70% of potential customers searching online. A professional website builds trust, showcases services, and provides a hub for all digital marketing.

How Conversions Will Improve

- A dedicated website with clear CTAs can increase conversion rates by 3–5× vs social media alone
- Capture leads directly without relying on platform algorithms
- Build email lists and retargeting audiences for sustained growth
- Implement live chat or chatbot for instant customer engagement
- Add social proof elements like testimonials and case studies
