BRANDING POTENTIAL

Limited - social platforms do
not offer full brand control

CREDIBILITY IMPACT

Medium - social-only
presence limits professional
perception

CONVERSION LIMITATIONS

- Cannot control user experience without a website
- Limited ability to capture leads and conversions

RECOMMENDATION

Build a standalone website to establish credibility, control brand narrative, and capture organic traffic through SEO.

- No platform for SEO-driven organic discovery
- Dependent on third-party platform algorithms

AI Recommendations

What's Missing

This business is missing a standalone website — the single most critical digital asset for establishing credibility, capturing organic traffic, and controlling brand perception.

Why Improvement is Urgent

Businesses without a standalone website miss up to 70% of potential customers searching online. A professional website builds trust, showcases services, and provides a hub for all digital marketing.

How Conversions Will Improve

- A dedicated website with clear CTAs can increase conversion rates by 3–5× vs social media alone
- Capture leads directly without relying on platform algorithms
- Build email lists and retargeting audiences for sustained growth
- Implement live chat or chatbot for instant customer engagement
- Add social proof elements like testimonials and case studies
